JOHN HEVEN RAGEL

GRAPHIC DESIGNER

Highly creative and vmultilented Graphic Designer with extensive experience in print design, multimedia and marketing.

I combine design thinking with technology to build digital experiences that are seamless, intuitive and visually engaging. My strength lies in bridging creativity with functionality, ensuring every interface and interaction serves both users and business goals. The result is design that is clean, purposeful and impactful, delivering real value without unnecessary complexity.

- Proficient in design and collaboration tools including Figma, Adobe XD, Sketch, Miro and In Vision for prototyping and wireframingExperienced in usability testing, user research and journey mapping to shape designs that align with real user behaviour
- Skilled in front end development and UI implementation with strong knowledge of HTML, CSS and JavaScript
- Adept at using Adobe Creative Suite and Canva for branding, visual design and creative assets
- Experienced in data driven design decisions using analytics tools such as Google Analytics, Pendo and Hotjar to refine UX flows and boost engagement
- Skilled in creating visuals for digital campaigns and social media, integrating design principles with platforms like Meta, LinkedIn and Google Ads
